Days of Elijah — Mark

These are the days of Elijah Declaring the Word of the Lord

And these are the days Of Your servant Moses

Righteousness being restored

And though these are days Of great trials

Of famine and darkness and sword

Still we are the voice In the desert crying

Prepare ye the way of the Lord

Behold He comes Riding on the clouds

Shining like the sun At the trumpet call

So lift your voice It's the year of Jubilee

And out of Zion's hill Salvation comes

And these are the days of Ezekiel

The dry bones becoming as flesh

And these are the days Of Your servant David

Rebuilding a temple of praise

And these are the days of the harvest

The fields are as white in the world

And we are the labourers In Your vineyard

Declaring the Word of the Lord

There's no god like Jehovah (repeat)

You Love Me Anyway — McDonald, Frey, Delavergne

The question was raised As my conscience fell A silly little lie
It didn't mean much But it lingers still In the corners of my mind

Still You call me to walk on the edge of this world
To spread my dreams and fly
But the future's so far My heart is so frail, I think I'd rather stay inside

*But You love me anyway It's like nothing in life
that I've ever known Yes You love me anyway
Oh Lord how You love me (How You love me)*

It took more than my strength To simply be still, To seek but never find
All the reasons we change The reasons I doubt
And why do loved ones have to die

I am the thorn in Your crown	But You love me anyway
I am the sweat from Your brow	But You love me anyway
I am the nail in Your wrist	But You love me anyway
I am Judas's kiss	But You love me anyway

See now I am the man who yelled out from the crowd
For Your blood to be spilled On this earth shaking ground
Yes then I turned away with a smile on my face
With this sin in my heart tried to bury Your grace
And then alone in the night I still called out for You
So ashamed of my life my life my life

But You love me anyway	Oh God how You love me
Yes You love me anyway	It's like nothing in life that I've ever known
Yes You love me anyway	Oh Lord how You love me
Yes You love me	Yes You love me (repeat)
How You love me	How You love me How You love me

Blessed Be Your Name — Redman, Redman

Blessed be Your name In the land that is plentiful
Where Your streams of abundance flow Blessed be Your name
Blessed be Your name When I'm found in the desert place
Though I walk through the wilderness Blessed be Your name

*Every blessing You pour out I'll Turn back to praise
When the darkness closes in Lord Still I will say
Blessed be the name of the Lord Blessed be Your name
Blessed be the name of the Lord Blessed be Your glorious name*

Blessed be Your name When the sun's shining down on me
When the world's all as it should be Blessed be Your name
Blessed be Your name On the road marked with suffering
Though there's pain in the offering Blessed be Your name

You give and take away You give and take away
My heart will choose to say Lord blessed be Your name

Another in the Fire — Davenport, Houston

There's a grace when the heart is under fire
Another way when the walls are closing in
And when I look at the space between
Where I used to be and this reckoning
I know I will never be alone

*There was another in the fire Standing next to me
There was another in the waters Holding back the seas
And should I ever need reminding Of how I've been set free
There is a cross that bears the burden Where another died for me
There is another in the fire*

All my debt left for dead beneath the waters
I'm no longer a slave to my sin anymore
And should I fall in the space between
What remains of me and this reckoning
Either way I won't bow to the things of this world
And I know I will never be alone

*There is another in the fire Standing next to me
There is another in the waters Holding back the seas
And should I ever need reminding What power set me free
There is a grave that holds no body And now that power lives in me
There is another in the fire (repeat)*

I can see the light in the darkness As the darkness bows to Him
I can hear the roar in the heavens As the space between wears thin
I can feel the ground shake beneath us as the prison walls cave in
Nothing stands between us Nothing stands between us

There is no other name But the Name that is Jesus
He who was and still is And will be through it all
So come what may in the space between
All the things unseen And this reckoning
I know I will never be alone I know I will never be alone

*There'll be another in the fire Standing next to me
There'll be another in the waters Holding back the seas
And should I ever need reminding How good You've been to me
I'll count the joy come ev'ry battle
'Cause I know that's where You'll be (repeat)*

I can see the light in the darkness As the darkness bows to Him
I can hear the roar in the heavens As the space between wears thin
I can feel the ground shake beneath us as the prison walls cave in
Nothing stands between us Nothing stands between us

*There'll be another in the fire Standing next to me
There'll be another in the waters Holding back the seas
And should I ever need reminding How good You've been to me
I'll count the joy come ev'ry battle
'Cause I know that's where You'll be (repeat)*
